AMENDMENT

Commissioner for Patents  
Washington, D.C. 20231

June 10, 2002

Sir:

The following amendments and remarks are respectfully submitted in connection with the above-identified application in response to the Office Action dated May 8, 2002.

IN THE CLAIMS:

Please amend claim 18 as follows:

18. (amended) A process for producing a reflection-type liquid crystal display device, which comprises steps of:

A<sup>1</sup>

applying a mixture containing monovalent silver and a photosensitive polymeric medium to a substrate;

forming a light reflector layer of the mixture;
